vacuum unit that  
everyone would  
like to own

CENTRAL VACUUM UNIT

**Warranty**  
(Parts subject to wear are not covered by the warranty)

- 1 operator
- Up to 250 m<sup>2</sup>
- Conveyable air discharge

The Aerys central vacuum unit is the right choice for those who want to install a quality product, designed to make maintenance extremely easy. Its simple design makes it pleasant in every context, while the reliability of the motor will make everyone appreciate its remarkable strength.

The dust inlet and the air discharge have been realized in order to simplify the connection to the pipe network.
