

# Jolly PEOPLE

Cod. 8000.1SA

The vacuum cleaner  
for everybody!!!

VACUUM CLEANER

Jolly People is a compact and versatile vacuum cleaner, designed to be installed everywhere. You can fix it in few easy steps and it will be at your disposal to help you with the clearing.

The accessory kit was studied to help you clean every type of surface in an easy and convenient way. You will be able to clean perfectly and quickly, in every situation and every environment.

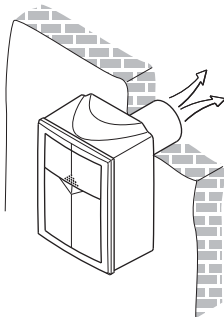

**THE INSTALLATION:**

It is possible to install **JOLLY PEOPLE** by fixing it to the wall using the dedicated box, without the need of building works.

**JOLLY PEOPLE** is equipped with a practical dust bag with good capacity (3 l) designed to be replaced in an easy and hygienic way.

**ONE MORE GOOD IDEA**

Install **JOLLY PEOPLE** on a wall, where you have made a hole for air expulsion on the exterior: by purchasing two simple optionals you will be able to expel mites, pollens and fine-particle powders out of your house.
